

CTV ONE

TEXT BRAND GUIDELINES

The Intelligent Workplace for ChinoyTV

A practical verbal identity system for internal communications, presentations, product interfaces, and enterprise launch materials.

BRAND STATEMENT

CTV ONE connects our people, knowledge, and systems - empowering everyone to create the future, together.

One name. One workplace.

CTV ONE is the unified intelligent workplace for ChinoyTV.

POSITIONING STATEMENT

For ChinoyTV employees who need one clear place to work, learn, and decide, CTV ONE connects people, organizational knowledge, and intelligent systems in a secure enterprise platform - helping every team move faster and create greater impact.

BRAND PROMISE

One connected workplace where every person can find what they need, understand what matters, and act with confidence.

REASON TO BELIEVE

Built around ChinoyTV workflows, knowledge, departments, and people - with enterprise AI supporting the work behind the scenes.

BRAND PILLARS

ONE WORKPLACE

A shared operating environment for every team.

ONE KNOWLEDGE

Trusted information made useful and accessible.

ONE INTELLIGENCE

AI that improves decisions and daily execution.

ONE CHINOYTV

Connected people creating greater impact together.

Say it consistently.

The verbal system should feel precise, modern, human, and unmistakably ChinoyTV.

OFFICIAL NAMING

Master brand: CTV ONE
Descriptor: The Intelligent Workplace for ChinoyTV
Endorsement: Powered by CTV AI Enterprise.

WRITING THE NAME

Always write CTV ONE in uppercase.
Keep one space between the words. Do not use CTVOne, CTV-One, CTV 1, One AI, or CTV AI as a replacement for the master brand.

MESSAGE HIERARCHY

PRIMARY	The Intelligent Workplace for ChinoyTV
SUPPORT	Powered by CTV AI Enterprise.
MANIFESTO	One Workplace. One Knowledge. One Intelligence. One ChinoyTV.
OUTCOME	Connected People. Smarter Decisions. Greater Impact.

APPROVED SHORT DESCRIPTION

CTV ONE is ChinoyTV's intelligent workplace - connecting people, knowledge, and systems in one secure platform so teams can work smarter, decide faster, and create greater impact.

Intelligent, never artificial.

CTV ONE speaks with clarity, confidence, warmth, and purpose.

CLEAR

Lead with the point. Use plain language, short sentences, and direct actions.

CONFIDENT

Sound capable and assured. Avoid hype, exaggeration, and vague promises.

HUMAN

Put people before technology. Write with warmth, respect, and practical empathy.

PROGRESSIVE

Show momentum and possibility while staying grounded in real work.

WRITING PRINCIPLES

- Lead with user value. Start with what the person can accomplish, then explain the technology.
- Use active language. Prefer 'Find your files' over 'Files can be located.'
- Keep AI in service. Describe AI as support for people, not a replacement for human judgment.
- Be specific. Name the task, result, owner, or next step whenever possible.
- Respect the reader. Avoid unnecessary jargon, fear-based language, and inflated claims.

A disciplined visual voice.

Typography creates clarity. Color signals heritage, people, intelligence, and support.

HEADING TYPEFACE

Satoshi

SEMIBOLD / PRIMARY

Use for titles, section headers, major labels, and short emphasis. Approved weights: Light, Regular, Medium, Semibold, Bold.

BODY TYPEFACE

Inter

Use the brand system to make every message feel connected, intentional, and useful.

DO

- Write CTV ONE in uppercase.
- Lead with human and business outcomes.
- Keep language concise and action-oriented.
- Use one primary accent color per message.
- Use approved taglines without rewriting them.

DO NOT

- Rename the platform or shorten it to ONE.
- Present AI as replacing people or judgment.
- Use technical jargon without explanation.
- Mix all accent colors with equal emphasis.
- Use unsupported claims such as 'fully automatic.'

DEPARTMENT COLOR CUES

HR**MARKETING****PRODUCTION****MANAGEMENT****FINANCE****TECHNICAL**

Department colors are navigational cues, not separate sub-brands. CTV ONE remains the master identity in every module.

VISUAL LANGUAGE KEYWORDS

Frosted glass UI / Flowing data lines / Cinematic gradients / Calligraphic heritage / Intelligent infrastructure

Ready-to-use brand copy.

Approved lines for presentations, internal announcements, product screens, and enterprise materials.
