

The DOLE

CITIZEN'S **CHARTER**

2023

Message

It is the state policy to promote integrity, accountability, proper management of public affairs and public property as well as to establish effective practices, aimed at efficient turnaround of graft and corruption in the government. The Department of Labor and Employment, in keeping with the requirements of Republic Act No. 11032 or *the Ease of Doing Business and Efficient Government Service Delivery Act of 2018 and its Implementing Rules and Regulations*, incessantly delivers quality services to our clients.

The DOLE Citizen's Charter 2023, 6th Edition, covers updates/changes in accordance with the latest applicable laws, rules, and regulations. Included herein are the updated services of Human Resource Development Service (Request for Service Records), which reduced the processing time and Bureau of Local Employment (Application for Alien Employment Permit (New/Renewal), which reduced the checklist of requirements, client steps, agency action, person responsible and fees to be paid.

The Department is committed to continuously enhance and transform DOLE into an efficient, responsive, purposeful and accountable institution.

BIENVENIDO E. LAGUESMA
Secretary

Department of Labor and Employment
Office of the Secretary

6) Processing of Disbursement Voucher

Disbursement constitutes all cash paid out during a given period in currency (cash) or by check/ADA. It may also mean the settlement of government payables/obligations by cash, check, or ADA. It shall be covered by Disbursement Voucher (DV).

The DV is a form used to pay an obligation to employees/individuals/agencies/creditors for goods purchased or services rendered.

In the processing of DVs or settlement of obligations and in all financial transactions and operations, we are governed by the following fundamental principles as contained in Section 4 of PD 1445, the Government Auditing Code of the Philippines: provides that all financial transactions and operations of any government entity shall be governed by the following fundamental principles:

- a. No money shall be paid out of any public treasury or depository except in pursuance of an appropriation law or other specific statutory authority.
- b. Government funds or property shall be spent or used solely for public purposes.
- c. Trust funds shall be available and may be spent only for the specific purpose for which the trust was created or the funds received.
- d. Fiscal responsibility shall, to the greatest extent, be shared by all those exercising authority over the financial affairs, transactions, and operations of the government agency.
- e. Disbursement or disposition of government funds or property shall invariably bear the approval of the proper officials.
- f. Claims against government funds shall be supported with complete documentation.
- g. All laws and regulations applicable to financial transactions shall be faithfully adhered to.
- h. Generally accepted principles and practices of accounting as well as of sound management and fiscal administration shall be observed, provided that they do not contravene existing laws and regulations.
